Mr. V. The sanction applied for may therefore be granted, specially as he will have a fair quantity ~~[illegible]~~ rapid travelling to do in the course of his special duty..

SIR,

In continuation of my letter No. C. 5 dated 19th February 1904 and with reference to Government Proceedings No. $\frac{1702-03}{J}$ dated 21st February 1904, I have the honour to forward herewith copy of letter dated 26th February 1904, from Mr L. Krishna Rao, Superintendent of Police on Special duty and to request, that, under the circumstances represented by him, you will be so good as to obtain sanction of the Government for his taking by railway at Government

expense one carriage and two horses (one for riding and the other for driving) whenever his work entails journey partly by railway and partly by road, during the time he is employed on special duty. He is entitled to take only one horse by railway under the Mysore Service Regulations; hence the above request.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector General of Police

Bangalore
26th February 1904.

To
Rao Bahadur
C. Madiah. Esquire
Inspector General of Police
in Mysore,

Sir,

I beg that permission may be granted for my taking by railway at Government expense 1 light dog-cart and two ponies (one for riding and the other for driving) whenever the work entails journey partly by railway and partly by road. There will be considerable saving in time and expense by this concession; and considering that even the deputation allowance recommended in my case is held inadmissable, I trust that my request will be granted. The railway charges of transhipment of carriage and ponies to distant parts of the Province, would under the circumstances be beyond my means to defray in addition to other touring charges, out of the travelling allowances kindly sanctioned by Government.

I beg to remain
Sir,
Your most obedient servant
(Signed) L. Krishna Rao
Superintendent (on special duty)
